WELCOME TO PARK LANE BISHOP'S STORTFORD

On behalf of the committee and all the playing and support staff it's a privilege to welcome everyone, especially our very new friends, first time callers from the South, Bishop's Stortford RUFC to Park Lane today. Welcome one and all.

So, we welcome another new club to Sedgley Park today and it's a great honour to have Bishop's Stortford here with us in what should be another cracking, classic National One fixture.

We met Bishop's Stortford earlier in the season at their place, Silver Lays, which is on the Hadham Road in Bishop's Stortford, Hertfordshire. That first game was another tough encounter and although on the day we came out with a good away win 33-45, the scoreline suggests just exactly what is was, a hard-fought slugfest that could have gone either way.

That last statement could sum up Bishop's Stortford season so far. Last week they took on Rams and we all know how exceptional they have been all season. However, in last week's game at

Gotcha; Sedges new 'wonder kid' Charlie Wardle, stops high flying Chinnor in attack recently

Silver Leys, the result could have easily been a home win for Bishop's Stortford.

That's been the continued story of The National League One campaign for all this season, league position means nothing. All teams can beat and push each other hard. All games are full on, 80 minutes battles. No quarter asked for and none given. This just shows how competitive leagues should be. We at Sedge in the last few weeks know more about this than most. We accept we have a huge challenge on our hands today.

WELCOME TO PARK LANE

BISHOP'S STORTFORD

Bishop's Stortford lie in 14th place and having played 18 games, winning 5 and losing 13. They have amassed 31 league points with 393 points for and with 529 against giving them a negative -136 points. They have amassed an impressive 7 x 4-try bonus points and 4 x losing bonus points.

They have lost all of their last 6 games. However, all of the games have been very close affairs, such is the competition of the league. The games lost were Rams (H) 14-26, Richmond (H) 14-38, Birmingham Moseley (A) 38-13, Plymouth Albion (A) 39-23, Blackheath (H) 8-14 and finally Sale (A) 8-7. As you can see a very hard set of fixtures and some closely fought games.

The players to watch out for are: top try scorer winger Chris Smith on 10 tries 100 points and the big boot and sniping runs of scrum half Connor Lloyd who has 60 points to his name.

Bishop's Stortford have a similar history to ourselves. They are a slightly older club, having been founded in 1921, and were always an aspiring club. During the advent of league rugby they prospered with a steady and progressive trajectory through the leagues. Level 5 was achieved in 2005 and then by 2012 Level 4 was achieved. Four seasons of gradual building at this level eventually saw Bishop's Stortford Champions of National League Two South (level 4) in 2016-17. They have stayed at National League One (Level 3) ever since.

To quote their Chairman from his comments on their website *'The Mini and Youth Sections continue to thrive, thanks to the commitment of many parent coaches and the determination of the Club to provide all possible support, particularly in the training of coaches. we currently have in the region of 600 children enjoying their rugby education at Stortford.'*

To quote the most famous son of the club England and British lions Hero Ben Clarke, *we have games at all levels for any age, size, ability, and fitness - join us now, be part of the Club and prove it!'*

It's great to hear this as this is something both clubs share, showing their ambition passion and commitment to the game that we love and share. Long live the ambition of Bishop's Stortford to keep their club as a bright towering beacon of

WELCOME TO PARK LANE

BISHOP'S STORTFORD

excellence for all in support of our wonderful game.

On The prowl: Bishop's Stortford giving as good as they got back against top of the table Rams last week

OK that's it for our visitors today. My apologies for the absence of the article 'Spotlight on Bishop's Stortford' and the the shortened version National League One Round Up this week. I hope the condensed versions will suffice this week.

So, let's Talk all things Tigers

On the road with Sedge

What a league!!!! We have just completed two away games since our last home game against Rosslyn Park and what a game that was. In the end it turned out to be an honourable 24-24 draw with both sides achieving 4 try bonus points. It was an edge of your seat type game.

To be fair Rosslyn Park had a great deal of possession and territory, but it was Sedge who were the most efficient and

were utterly ruthless when in the red areas. Sedge looked on track to take all the points with some magical quick aggressive running rugby, but a late rally by visitors in the final five minutes saw them break out and finish of a great final try of the game.

Honours even. Just to keep a perspective on things, this was the same Rosslyn Park who ran riot against us at the Rock earlier in the season.

Rosslyn Park 24 (3)

Our next game was a trip south to Chinnor. This was the first time we had met them in a league game, although we had previously met them in a North-South playoff game when Chinnor just edged it.

This fixture though was completely different, as we came up against the very best in the league. A team in devastating form. On top of the pile by merit. I remember looking at the great and the good pundits who make up the National League One prediction league. Only three of the predictors had gone for us. The game was already decided, a comfortable home win for Chinnor. For all of the first half of that game it was going with the prediction league as Chinnor stormed to a first half 28 -17 bonus point position. Job done? Not a chance!!

WELCOME TO PARK LANE

BISHOP'S STORTFORD

Sedge, fired up for Second forty, had to cope with another early set back, as Chinnor went 33-17 up. Were Sedge defeated? No!! Tries from back row George Bordill (65), Hooker Danny Maher (68) and number 8 Tom Ailes (80) had the home side on the ropes, hanging on for dear life with the score very close indeed. A final try for home side by back row Isaiah Wharton made the game safe and their position at the top complete.

However, the game is all about what ifs and if Danny Mahers try had been converted this would have meant a totally different outcome to the game. Sedge in their last try (and near last play) of the game turned down the chance of adding the extras in the hope one last final play would bring the winning spoils. Had that early conversion gone over the last try would have been converted and the game would have been a very, very creditable draw. As I said, what ifs are all good and fine but the reality was Chinnor won. Fine margins indeed.

The match day scribe for Chinnor best summoned up, when he observed *'Thankfully time was on Chinnor's side. Had it been a bit longer the scoreline would not have been the same. Thank God time was up on Sedgley Park'*. Another excellent performance by the boys.

Full Time:
Chinnor 38 (5)
Sedgley Park 34 (2)

This brings me onto our last game on the road and another first-time trip, this time to Taunton Titans. Bottom of the league, fighting for their lives and the same great and the good of National League One prediction league do it again. On mass huge away win for Sedgley Park. Anyone who thought that must have been out of their tiny mind. This was the same Taunton Titans who should have won at Park Lane, if we were honest, so I for one was expecting a real tough game and that is exactly what we got.

No complaints on the final result and highly impressive and aggressive performance from Titans who dominated the whole 80 minutes and gave us a seven try mauling. An exceptional performance and a very good team. A highly deserved victory.

Brothers in arms

This is an actual true story. In our recent game against Chinnor the other week, we had a excellent stand-in tight head prop forward playing for Sedge called Andrew Darlington. What we didn't know nor Andrew himself nor in fact his parents knew that Andrew at the last minute was appearing for Sedge.

WELCOME TO PARK LANE BISHOP'S STORTFORD

His unknowing parents were actually at the game to watch, you guessed Andrew's brother who his opposite loose-head opponent was appearing for Chinnor.

How's that for a coincidence? Andrew had an exceptional game as did his brother Mark. I think this was a great day for the Darlington family who all became honorary members of Sedge. As we say here at Park Lane, once a Tiger always a Tiger.

Fancy seeing you here: Andrew and Mark Darlington going head-to-head.

... and finally

... Come on it has been a while since I baited Mr Aldred our beloved pre-match speaker. The image below shows MC Eddie in his new attire for all home games for the rest of the season. We all know Mr Chairman (he who must be obeyed) Steve Ward, is on a mission to drive the club at all levels on and off the pitch, to achieve the very best we can and in this regard, he has asked Eddie to look the part on match days (for once). I believe Steve has also bought Eddie a

big book of jokes so he can be funnier, funny, or at least humorous for once (I'm in big trouble now). Unfortunately, but fortunately for me, Eddie is not at the game this week as he's in a sunnier climes getting over the disastrous, humiliating and huge defeat of his beloved Scotland last weekend. I don't think it the defeat he's in shock with, but the fact it will be another costly wager he's lost to me to. Typical Scot!!!

Sincerely Eddie you will be missed today, you do a great job and we all hope you having a great time. Looking forward to seeing you in your new outfit next time out!!!

So finally, finally, and once again welcome to Park Lane one and all. I hope you really enjoy the game today and don't forget whatever the result and whatever the colours you wear why not join us in the club house for the traditional pint and good craic after the game.

All the best, ST

THE CHAIRMAN

Welcome

On behalf of everyone at the club, can I extend a warm welcome to everyone, for today's game at Park Lane. I would especially like to extend a warm welcome to the players, officials and supporters of our opponents today, Bishop's Stortford, who are making their first visit to Park Lane. May you enjoy our hospitality and friendship and have a quiet drink with us in the bar afterwards, irrespective of the result.

Charity Day

The home game against Rosslyn Park, was our Charity Day for Andy's Man Club, a national Men's Mental Health charity, with branches throughout the North West. The 1st XV were all wearing special shirts and all these shirts had been sponsored. We have raised £1300. A great effort by all those involved. This was our 2nd Charity Day of the year, having raised £1500 for Sickkids in November.

Our final Charity Day is the 23rd March (v Cinderford) on behalf of "Sponsor a Nurse" for Bury Hospice. This is our annual "Ladies Day". I am informde that all the Tables in the "Ladies Room" have been sold for the day and the other rooms are a sellout as well.

As usual, this promises to be a brilliant day. However, we do have a few shirts to be sponsored for the day (see promo here)

LADIES CHARITY DAY

Our next charity game is in aid of Bury Hospice Sponsor a Nurse and is to be on the 23rd March 2024, our fixture against Cinderford. If anyone fancies sponsoring a jersey for £150 please contact me, which includes two match tickets including pre-match hospitality.

The jersey is given to the sponsor and their name is inserted as shown.

Please contact Geoff Roberts on **07793184818**

BURY HOSPICE SPONSOR A NURSE

Our specialist team of nurses can help as soon as a life-limiting illness is diagnosed, supporting patients and their families at every step of their palliative and end-of-life journey at the Hospice and in the community. Whether it is using their expert knowledge of pain management and symptom control or supporting their family members, our nurses are there to provide care, hope and support. It is our mission to ensure that we are able to develop our services to continue meeting the needs of people with life-limiting illnesses and make sure excellent patient care is at the heart of everything we do.

Looking forward

It has been a good start to the season for the First Team, with 9 wins and a draw out of 18, leaving us in 7th place in the league, but only 8 points behind 3rd place. We are all really enjoying this season with the 1st XV, going to many new grounds., including the long trip to Taunton last week.

It has also been a good start to the Season for the 2s. The 2nd XV sit 4th in the Nowirul Premiership, having won 9 and drawn 1 of their 12 games, playing the exciting brand of rugby we have come to expect from the 1st XV. We have games in hand on all the teams above us

THE CHAIRMAN

It has been a little harder for the 3rd XV, with 4 wins out of 13 games, leaving them in 9th place in the table.

The new Player Pathway we introduced last year, detailing a route through the Youth Section, Colts and into Senior Rugby is now starting to work, with 10 of last year's Colts playing Senior Rugby this year, including 1 at 1st XV level.

We also have a great opportunity to shape young children with the work the Youth Section and Rugby College are doing in getting school children introduced to Rugby, with the support of our Director of Rugby development, Scott Barrow and Tryit Rugby (more of them later in the programme).

Although some areas of the Youth Section are thriving, others are struggling.

We do have a very strong Senior Colts this year and we are looking forward to them moving into open age to bolster the Senior Teams. Unfortunately, we have had no Junior Colts this year, but we are hoping to have enough to run a Senior Colts next year. We are continuing our recruitment drive for players in year 8 (U13s) and above. It would be great if everyone could promote their club in the local community / schools.

The contact details for individual Coaches and Managers can be found at the back of the online Programme. We are also looking at getting more families watching the 1st XV games and being involved with the Club. We have some "Free" Tickets which will be distributed to schools before Christmas, with a view to getting families down.

App2Tap

As part of our look at bringing Sedgley Park into the modern era, we are reviewing how we dispense and pay for Beer, especially at events and on Matchday. As part of this process, we are going to trial a system where you can pay for and dispense your own beer, hopefully speeding up this process and reducing the need for Staff to 'man the Pumps'.

At today's game we are trialling a system called "App2Tap". The intention here is that you install an App on your phone and this will allow you to order, pay for and dispense your own Pint.

Initially, we will offer this outside for Lager only. We will then gauge the success of this trial and your management Team will decide whether it is worth moving forward with this. Why not give it a try at the next home game.

DAVE'S DIARY

There can be only one topic this week. Barry John was born in Cefneithin in January 1945, and died in Cardiff a few days ago. By the time he started playing for Wales (debut v Australia 1966) most families owned a TV set. Even I had a rented set, starting my first grown-up job that same Autumn, and living in a cheap bed-sit in Crumpsall.

Barry John became, perhaps, rugby's first popular star. The press couldn't get enough of him. We all know that rugby matches are won by the blood, sweat and grunt of the big boys. John knew this, too. But when those forwards cancel each other out...? It helps to have a genius at 10, to ghost and glide, and to put teammates through holes he has himself created.

Against England, at Cardiff in 1969, John scored a try for the ages. An unbelievable try. I have watched it over and again, and I still don't believe what he did is possible. Wales were attacking, just outside England's 25-yard line. John had been missed out by a pass, initially, and full-back Jarrett had kicked ahead and regathered. The next pass was inaccurate, and fell into no man's land

behind the advancing three-quarter line.

John, sweeping behind his backs, picked up the loose ball, and seven seconds later, he crossed the English line, untouched, leaving a trail of white bodies behind him. He had beaten five opponents. At my school in North Manchester, the PE department had a film projector with this try on a loop. We watched it so many times! You too can see it, on YouTube. And it's in colour!

Before John, there had been several great stand-offs. I never saw Cliff Morgan, but his name was always mentioned in this context. He became the greatest rugby commentator of all, rugby's answer to cricket's John Arlott, a golden-voiced poet. Even England had had a great 10. Richard Sharp, of Redruth and Cornwall and Cambridge University, captained England and scored a thrilling try against Scotland in 1963. Sharp was tall and majestic and very, very quick. He burned off Scotland's defenders with the perfect outside break, and rounded it off with a huge dummy to score.

This is also on YouTube, and watching it just now, I discovered something I did not know. England's other try that day was scored by a very young prop called Nick Drake-Lee. He was a student at Cambridge and I batted against him in an inter-college cricket match. Of course, we all knew who he

DAVE'S DIARY

was. Fortunately, his fast bowling was several levels of ability below his rugby. I was surprised how small he was.

The great Dai Watkins was Barry John's immediate predecessor in the Welsh team. It came as a shock when the selectors went for John ahead of the established British Lion, but they were right, I am sure. Watkins subsequently 'came north' to play for Salford RL, where it was my pleasure to watch him for years. He was a fabulous player. But John was better.

In the summer of 1971, the British Lions toured New Zealand, and now Barry John reached film star status. In a star-studded team, King John, as they called him, appeared to have the special quality that filled headlines and sold newspapers. Where others were intense, John seemed laid back. On the field, black shirts fell over one another, just as white ones had, a couple of years earlier.

Then the King abdicated. Aged just 27, he had had enough of adulation, and he retired. If anything, it added to the myth. John's successor was Phil Bennett, and when the Lions, masquerading as Barbarians, met the touring All Blacks in 1973, Bennett was wearing 10, with Cliff Morgan's commentary as spellbinding as the rugby.

The image of Barry John will remain with me. A slight figure, around eleven stone, and not tall, gliding over the mud with the ball in two hands. A movement of shoulder or hip, the hint of a dummy, and another opponent is wrong-footed. No one can tackle him. How do you tackle a ghost? The King continues, unhurried and untouched, a master of space and slow time.

Or am I confusing him with Doctor Who? Same era.

COACH TALK

ROSSLYN PARK

Three weeks ago, we were in league action at home to London Team Rosslyn Park. They had beaten us fairly convincingly at their ground earlier in the season. They were placed one place above us in the league and had recently performed well against the top teams so we knew that this would be a really hard game especially as we had not played for two weeks because of the poor weather. It was also a charity day in aid of mental health and Andy's man club.

We had trained well all week and had set ourselves the target of keeping the penalty count down and coming away with points every time we entered their twenty two. We started well keeping possession and building phase within their half. A sharp line break by full back Charlie Wardle saw winger Rhys Henderson come off his wing to touch down in the bottom left hand corner. 5-0 up after five minutes.

Rosslyn Park, to their credit, came back well, stretching our defences and defending resolutely. Their first try came after twenty minutes with a powerful drive from their forwards to see them take the lead 5-7. They followed this up, eight minutes later, with a second try after a seventy metre break out from their twenty two. They went into the half time break with a well deserved 5-12 lead and looking threatening every time they got the ball.

We had done well to keep the penalty count down but knew that we had to be patient and come away with points every time we got in their twenty two.

We started the second half well, varying play between forwards and backs and building tempo. A lovely passage of play resulted in prop Ozzie Downham crash over in the top right hand corner. Fly half Warren Seales added the conversion and we had now levelled the scores 12-12 after 52 minutes.

However, they hit back almost immediately, with a well worked try for their centre in the bottom left hand corner to retake the lead 12-17 going into the last twenty minutes.

This was a really good game of rugby, for the neutral supporters, by two well-matched teams who were giving nothing away. We made a number of changes which proved significant. A beautiful line break by substitute No. 8 Tom Aile, saw scrum half Jacob Tansey dive over near the posts. Warren added the conversion and we had now retaken the lead 19-17 on sixty minutes.

We now looked to push on and build a lead and a line out on the half way was fed wide for inspirational captain Matt Riley break the line and feed centre Nathan Pope who scored our fourth and bonus point try.

COACH TALK

Unfortunately Warren was unable to convert, but we were now 24-17 up going into the last eight minutes.

Rossllyn Park had not given up and hit back with their fourth and bonus point try with two minutes to go and the game ended 24-24 and honours even.

We both got three points and probably the right result from two very even sides. We were disappointed that we could not manage to get the win but pleased that we had performed well and achieved some of the original goals. We remained in sixth place with Rossllyn Park in fifth but only a few points between us.

CHINNOR

The following Saturday we would be on the road again, away to league leaders Chinnor. We had beaten them earlier in the season at Park Lane but we knew that this would be a huge challenge and a top performance was required if we were to come away with any points

Two weeks ago we travelled to League leaders Chinnor, more in hope than expectation. What a game we experienced. We had beaten them narrowly earlier in the season 27-21 at Park Lane but we knew that this would be one of the biggest challenges so far in the campaign. They had only lost 3 times and had recorded some great wins against all of the top teams.

We started well playing into a strong wind looking to move the ball wide and build phases in their half but they defended well and it was the home side that opened the scoring with a lovely line break and a converted try after five minutes. We got on the scoreboard with a well taken penalty from fly half Warren Seales shortly afterwards then a great score for winger Rhys Henderson converted by Warren to put us in the lead 8-7 after 12 minutes.

The game was played at an incredible pace with both teams going through multiple phase looking to break down each others defences and it was the home team that scored the next try through strong driving play by their big, mobile forwards after 20 minutes.

COACH TALK

They followed this up with another converted try to put them into a commanding 10–21 lead with ten minutes to go in the half. However, a fantastic kick chase by Tigers winger Andy Riley saw him collect the ball, feed it to supporting player George Bordhill who moved it wide for winger Rhys Henderson score his second in the top right hand corner. Warren added the difficult conversion and we were now back in the game 17–21 in the 37th minute.

Chinnor, however, put the pressure right back on, using the strong wind to get territory in our twenty two, which ended them scoring their fourth and bonus point try. They went into half time deservedly 17–28 up.

This was a hard, uncompromising, half of Rugby from two very good teams, with Chinnor showing why they are top of the league. We knew that in the second half we would have to use the wind wisely and look to come away with points every time we got in the home team's twenty two.

Unfortunately, it was Chinnor who scored first with a good try for their right winger after a patient build up by their forwards, putting them 17–33 up after fifty minutes and a massive up hill battle for the Tigers.

A penalty deep in the home sides 22 gave the forwards a strong platform to drive the ball from which flanker Tom

peeled off and touched down in the bottom left hand corner. Full back Charlie Wardle added the conversion and we were now back in the game 24–33 with fifteen minutes to go.

Another kick to the corner, two minutes later saw the forwards catch and drive and hooker Danny Maher scored our fourth and bonus point try. We had reduced the lead to 29–33 and looking to go on and get the win. Chinnor, however, hit back with another try through their well drilled forwards in the seventy first minute extending the score to 29–38.

Then, going into the dying moments of the game, we managed to get another try through on loan prop Andy Darlington. They kicked off and we pushed to get the winning score but the game ended 34–38 to the home team. We had scored five tries and they had scored six in a great game of Rugby by two top teams.

We came away with two well deserved bonus points and special mention to the whole squad for their sheer effort and commitment. This had set us up well for another big challenge the following week, when we were away to Taunton.

TAUNTON

Last Saturday, we were we were on the road again on the long trip down to Somerset playing Taunton Titans. We had beaten them at home earlier in

COACH TALK

a close encounter and we were looking to build on the very good performance the Saturday before against league leaders Chinnor. They had only won 4 of their games so far this season and were in last place in the league so we were hoping for our first win in 2024. However this was not to be and the home team went on to record their best performance of the campaign and a record win against a very below par Tigers team.

We started brightly playing with the wind looking to move the ball wide and building phases in their half. However their defence was solid driving us back and winning most of the collisions. Their transition from defence to attack was excellent and their counter attack was rapid making a number of lovely line breaks. Their first try came after 6 minutes with a powerful drive through their forwards followed by a penalty three minutes later putting them in the lead 0-8 after fifteen minutes.

We came back well with a well worked try for winger Andy Riley after quick hands a great off load by second row Oscar Crowe. Warren Seales added the conversion and we were back in the game 7-8 with twenty minutes to go in the half. However and to their credit Taunton came back very strongly testing the Tigers defences at every opportunity. Their second try came after 26 minutes with a catch and drive from their forwards and a third score seven minutes later with another powerful

drive putting them 7-20 in the lead going into the last ten minutes of the half. We tried to move the ball wide but a dropped pass saw their full back gather and race sixty metres to touch down under our posts and give them their fourth and bonus point try. A second penalty three minutes later saw them go into the break 7-30 up and the Tigers with a mountain to climb in the second half.

We were obviously extremely disappointed with this first half performance but remained positive that we could turn it around as we had done the Saturday before. However this was not to be and Taunton continued to pressure the Tigers in every aspect of play. They went on to score three more tries and thoroughly deserved the win. We did manage to get on the scoreboard with a penalty try after a good catch and drive through the forwards but the game ended with a 14-49 win for the home team.

We have a lot to work on this week before we go again next Saturday when we are at home to Bishop's Stortford. Our set piece needs to be a lot better and we need to win the collisions and convert pressure into points every time we get in their twenty two. We know that a big improvement is expected in our next game.

Cheers, Hazz

SEDFGE MEDIA TEAM

Few words from Vinny Morley

Welcome to Park Lane. Whether you are new to a Tigers game, a returning fan, or a Sale FC supporter, I hope you enjoy the experience at Sedgley Park this afternoon.

For returning fans, especially from last season, you may notice a bit more hustle and bustle in regard to our matchday social media team. This campaign I have been joined by Joe Barnes-Taylor and Tom Markham, two Manchester Metropolitan University graduates with a keen interest in sports broadcasting. Joe and Tom will be the faces of Sedge's match day output over the coming months.

The Sedge Media Team's mission is to increase the profile of rugby in our area as well as promote the Tigers and Sedgley Park RUFC with what we have to offer on and off the pitch on a game day, and more.

Over the past couple of seasons post-match interviews have been with Sedge players and officials. We will now be looking to get both teams points of view and giving the viewer/listener balanced thoughts on what happened during the match.

You will catch Joe's Interviews with Players and Coaches on our Social Media platforms

The team will continue to provide Tigers match updates throughout the season to our local radio station Roch Valley Radio, an affiliation that now enters a third season. With our main local football team Bury FC returning to Gigg Lane and all the publicity that has been generated around that, match updates from Sedge's games to RVR during Shakers matches should reach a larger audience than in the previous two seasons and generate extra interest in rugby.

We will also focus on building our output to engage Tigers fans whether they live around the corner or around the world by looking at ways to innovate using the technology we have available. The team hope to be in a position to provide full audio match commentary from Park Lane within a couple of months with the ultimate target of video streaming a live match by the end of the season.

Social media may not be for all but it's a good cost-effective way of connecting with rugby supporters and encouraging new fans or players, mums and dads, boys and girls, to maybe head along and see what's on offer. The team posts to Facebook, Instagram and Twitter on the main Sedgley Tigers pages and we have our own Sedge Media Team page on TikTok for some background videos @sedgemediateam If you have not already done so, why not give us a follow. Remember a 'like' or a 'share' of one of our posts may be just enough to encourage someone to take up the sport!

NATIONAL LEAGUE ONE REVIEW

AND SO, IT BEGINS

Well, it has been just over 10 years since I wrote my last National League One Review and although the majority of the clubs we will meet this season are returning old friends or fleeting 'ships in the night' in the case of Chinnor RFC. We met in that incredible National Two North / South Play-off game at their place which we narrowly lost. They were incredible hosts that day and it will be great to have them here at Park Lane this season.

That just leaves just three clubs that we have not met and that is Rams RFC (although we did have a brief pre-season games against them some years ago), Bishops Stortford and Taunton Titans RFC. We look forward, with great anticipation, to meeting them both over the course of the season.

In fact it goes without saying, the whole club are really excited about the new season ahead, not just re-acquainting ourselves with old friends, but as a club seeing how we measure up playing our brand of rugby at the higher level. I just cannot wait.

Normally here we look at the league 'who's in form', and who wins the team of the week, the results and fixtures of the previous week and the fixtures that week with a highlight feature of the game of the week.

That would be difficult to undertake this week, considering not a ball has been thrown or been tactically kicked. So below is a quick look at the opposition ahead this season and to re-acquaint ourselves with some familiar foes.

BLACKHEATH FC

Ground: Well Hall, Kidbrooke Lane, London SE38BU

Colours: Black and Red Hoops

Previous Games: Sincere old friends.

We at Sedge remember well the first encounter with them back in 1998/99 season when we met them in the National Cup. This game put Sedge on the National map and shone a light on our 'rise up' the structures after a great 21-22 victory at 'The Rec'. As hosts they were very warm and welcoming pre-game and incredible in defeat post-game. The memory lives long with all at Sedge, and we had 8 more wonderful fixtures at National Level 1. which DMP won. In League fixtures we
have met them twice in National

were promoted but were without
doubt the most outstanding team in
the league. I would go further to say
that they gave one of the best
performances I have seen at Park Lane,
including the likes of Wasps,
Harlequins, Northampton Saints, Bristol,

breathtaking fast, hard running, tight
game of rugby. Very much looking

PLYMOUTH ALBION RFC

Ground: Brickfields Recreation Ground, Damerel Close, Plymouth. PL14NE

Colours: White Green and Red Hoops

Previous Games: We first met Albion back in 2001-02 season at level 3. It was blip for Albion that season to be at that level and they bounced back to Level 2 as Champions. These first two encounters were tough indeed. We then met them on a regular basis for 10 fixtures from 2005 to 2009 at level 2, The Championship. The encounters were still tough but we had our moments. Bizarrely one season in this period this fixture was our New Years game. We had to travel. RICHMOND RUGBY

Ground: Richmond Athletic Ground, Twickenham Road, Richmond, London. TW92FS

Colours: Old Gold, Red and Black Hoops

Previous Games: We first met Richmond Rugby at Park Lane on 22nd September, 2012 and we won that first encounter 37-17. This was the period of Sedge's demise or realignment period from its heady days in the Championship back to ultimately National League Two North. Richmond on the other hand were on an upward trajectory having had a bit of demise and re-alignment themselves, having been demoted to the bottom of the pyramid by a once tougher governing body.

You had to pinch yourself on that first home game of 2012/13 season at Park Lane. Here was this true bastion of elite club rugby in England here at little old Park Lane. Here was a not so long-ago Premiership juggernaut. For all the big hitters that had graced Park Lane during our Championship days none had the bigger impact on the professional game than Richmond.

NATIONAL LEAGUE ONE REVIEW

To cap off that first game, we won! it was a very bright highlight in a season which turned out to be a relegation year for Sedge, whereas the 'Old Gold' would go on to get promoted back to the Championship.

I reflect then as I do today on the spirit and tenacity of the Richmond Club. In all the club's history and glory pre-leagues, and its impact as a winner in those formative years of professional rugby era. For me surely the club's finest hour was that march back to the top. Outstanding.

To establish a progressive and dynamic club ethos of mini to first team pathway for all. For establishing a brilliant platform for the development of girls and ladies' rugby.

That's quite a bit of legacy building. Impressive? You bet.

I have two very fond memories of the 'The Rock' the home of Rosslyn Park. The first was when Sedgley Park Club stalwart, Alan 'Two Bob' Taylor acted as conductor in chief encouraging the whole main stand at the Rock to sing happy birthday to me on my 50th. Embarrassing but appreciated.

Secondly, our very own Bro! Geoff Roberts experiencing Rosslyn Park gourmet burgers for the first time and buying, himself and me one, handing over a £20.00 note. On receiving no change his face was a picture!!! My turn for the burgers this this season me thinks.

TRYIT RUGBY

Tryit Rugby is a dynamic rugby business that has forged a successful partnership with Lancashire RFU, with the shared mission of promoting rugby among children and fostering the growth of mini and junior rugby sections. Operating from the premises of Sedgley RUFC, Tryit Rugby has taken on the essential role of aiding in the recruitment efforts for the club's mini and junior rugby section.

One of the cornerstones of Tryit Rugby's approach is its collaboration with the College of Rugby, a strategic partnership aimed at nurturing the development of young coaches. These aspiring coaches undergo specialized training through the College of Rugby, with the ultimate goal of funneling their expertise back into Tryit Rugby's initiatives. This interlinked network ensures a continuous cycle of growth, skill enhancement, and knowledge within the rugby community. Tryit Rugby's multifaceted approach to recruitment encompasses various avenues. The business uses school programs funded by the club or Lancashire RFU, which not only introduces children to rugby but also strengthens ties between local educational institutions and the sport. Moreover, Tryit Rugby's innovative rugby camps and coaching services provide an opportunity for kids to engage with the sport in a fun and instructive environment.

By focusing on both grassroots engagement and coach development, Tryit Rugby is contributing significantly to the expansion of mini and junior rugby sections. Its collaboration with Lancashire RFU and Sedgley RUFC, as well as its partnership with the College of Rugby, showcases the organization's commitment to building a robust rugby ecosystem that benefits young players, coaches, and the sport as a whole. Through its initiatives and dedicated efforts, Tryit Rugby is playing a pivotal role in shaping the future of rugby in Lancashire !
